**NARRATIVE**

On 07/09/2018 I was assigned to Central Station as part of Squad assigned to enforce an illegal lodging encampment. Numerous other squads had been activated throughout the city including TAC and Specialist Squads in order to clear an illegal encampment that had between 50-100 people (depending on time of day) blocking Washington St between Battery and Sansome St. This encampment began on 2 July 2018 and has steadily grown ever since.

The entire 400 block of Washington St was completely blocked with debris. Individuals had erected make-shift fencing across the intersections of Sansome and Battery St's. This fencing was in large part made from pallets. Additionally I observed barbed wire across the street on the Sansome St side, cyclone fencing on the Sansome St side and numerous random objects used to prevent vehicle or pedestrian traffic from entering the 400 block of Washington St.

The people within the encampment had erected over a dozen tents and awnings throughout the block and created and erected fences/barriers consisting of cyclone fences, broken down pallets and barbed wire

Beginning on 2 July 2018 Admonishments were given by numerous Central Station Sergeants in regards to the individuals being in violation of 647(E) PC (illegal lodging). PC for lodging -Definition: 647e PC- Every person who commits any of the following acts is guilty of disorderly conduct, a misdemeanor":

"(e) Who lodges in any building, structure, vehicle, or place, whether public or private, without the permission of the owner or person entitled to the possession or in control of it".

The admonishment was the following in essence. "This is Sergeant XXX of the San Francisco Police Department. You are in violation of Penal Code Section 647(E). You are being asked to break down your tents and leave the area. Failure to do so can make you subject to Arrest, Cite or both". These advisements were made 3 times every four hours starting on 7/7/2018 and on 7/8/2018 they were made every 2 hours. These advisements were given over vehicle PA system due to the size of the encampment and to ensure that every person within the encampment could hear it. Despite the numerous admonishments, those within the encampment continued to stay. During these admonishments, BWC's were activated and uploaded to evidence.com. See initial report and prior supplemental reports under this same case number.

On 7/9/2018 at 0010 hours Sgt Chan #1484 again advised those within the camp of their violation of 647 (E) PC, which the group again refused to comply with. At approximately 0038 hours the Tactical Unit, Specialist Team and station squads arrived at the encampment. Immediately upon arrival, the Tactical Unit and Specialist Team encountered resistance by (C-1) through (C-7) and (C15) through (C16). (C6) was advised to move towards Sansome St from Battery St and refused. A physical control hold was applied and (C6) later had a complaint of pain from her arrest (see statement by Off Jensen #1423). Lt Kim #2022 was notified on scene of this use of force and conducted a Use of Force Evaluation. (C26) was struck with ERIW rounds by TAC Officers Alvarenga #1630 and Tarum#475 as well as Sgt. Camilosa #4244 of the Specialist Team. Lt Kim was notified on scene of this use of force and conducted a Use of Force Evaluation. (C2) was kicked by Sgt. Camilosa to overcome resistance. Lt Kim was notified on scene of this Use of Force and conducted a use of Force Evaluation. Off Shaini #1782 struck (C3) with his hand three times. Lt Perdomo #1140 was notified on scene of this use of force and conducted a Use of Force Evaluation. See statements by Off Alvarenga, Off Tarum, Off Shaini and Sgt Camilosa regarding these incidents.

While setting up a skirmish Line at Sansome St at Washington St, Off Sherry #1046 encountered an unknown male who refused to follow Off Sherry's order of dispersing the area. Off Sherry attempted a yawara strike on the individual which was effective as the subject fell to the ground. The individual then fled the scene and Off Sherry was unable to identify him or check on his condition (see Off Sherry's Statement). When it was safe to do so off Sherry notified me of his use of force in which I conducted a Use of Force evaluation and later entered in the Use of

The Tactical Unit and Specialist Team were then able to encircle the remaining individuals within the 400 block of Washington. I entered the encirclement and advised each person of my rank, name and that I was placing them under arrest for illegally lodging under Penal Code 647(e). At this time I placed (C-8) through (C14) and (C17) through (C-39) under arrest. Each arrestee was escorted out of the encirclement by officers where he/she was logged into a (E24) Arrest Log. (E25) Two photos were taken of each arrestee. (C6) and (C26) were transported to SFGH due to complaints of pain from their earlier resisting arrest incidents.

Once all illegal lodgers were placed under arrest and removed from the 400 block of Washington St, members from the Department of Public works entered the area and collected all items left behind by the illegal lodgers. It should be noted that there were numerous tents, awnings, blankets and sleeping bags throughout the area that were consistent with people sleeping for a duration of time. I spoke with a DPW supervisor who advised me the belongings of the illegal lodgers will be transported to 2323 Army St where they would be subsequently bagged and tagged for the owners. A (T1) vehicle Ca [REDACTED] was left unattended in a "No Parking Zone" directly in front of 444 Washington St. This vehicle was subsequently towed by scene with my approval.

At Central Station, the uses of Force were entered into the Use of Force log by Lt Kim for Camilosa, Alvarenga, Tarum and Jensen. I entered Off Shaini and Off Sherry's Use of Force in the Log.

(E1) through (E2) and (E23) were seized by Off Tarum on scene and subsequently booked at Central Station. Off Sherry seized (E3) through (E20) various weapons from the 400 block of Washington. These weapons were in various locations within the unit block (see statement by Off Sherry). E3-E20 were later booked at Central Station. (PFSK1) was seized by Off Duran #4102 and booked at Northern Station. Off Duran also completed and booked (E21) Property For Safe Keeping Form at Northern Station. E22 Fireworks were discovered on scene and brought back to Central Station. This items were to be collected by Sgt Barcojo #503 of the SFPD EOD Unit during business hours on 7/9/18. Off Stoffel booked (E24) mass arrest log and (E25) Polaroid photos at Central Station.

All Officers on scene activated their BWC during this operation. At various times, various Officers had to mute their recording to discuss Law Enforcement Sensitive information.

A copy of this report along with the original Citations were forwarded to the misdemeanor rebooking unit.
